

WHAT OUR CUSTOMERS ARE SAYING

"Our company represents 135 independent truck stops and over 50 truck repair facilities. We recommend PCS to all of our members to help them save money and time with their credit card processing. We've had nothing but satisfaction from our members that have signed up with PCS. They have the good customer service and personal touch that is missing from the big credit card processors."

Burt Newman, Jr.

Vice President - Professional Transportation Partners

"PCS tailors its comprehensive package of credit card processing services specifically to meet all of your marina needs. They offer a wide range of products, at no cost to you, to make your business more efficient and profitable."

Jim Frye, CMM

President and Chair - Association of Marina Industries (AMI)

"It has been a pleasure working with PCS to handle our credit card processing. I am extremely satisfied with the service and support that we have received. Many thanks to Forrest and Matt for making this change simple and effortless."

Tammy Savidge

Owner - Dredge Harbor Boat Center

"PCS has great customer service. Anytime I need assistance or service I have found them to always be responsive. I highly recommend PCS to all of my customers."

Andrew Lusk

Vice President - Points to Partner

"These guys really understand how the card processing system works. I've always been able to rely on the PCS staff when questions or concerns arise. As if that wasn't enough, my savings in fees has been substantial. As a Marina Operator and AMI member, I highly recommend them. They are knowledgeable, accessible, and a pleasure to deal with."

Jimmy Franklin

Owner - Hope Springs Marina

"I have PC Charge at my location. PCS set me up quickly, with very little effort on my part. Best of all, their rates beat other competitors, which saved me nearly a thousand dollars a month. I highly recommend the entire PCS team. You can't beat the combination of their customer service and price."

Allan Bell

Owner and President - Fort Storage

"PCS provided the service and business tools for us to offer excellent POS services to our customers!"

Sam Chavers, Jr.

Dockmaster - Marina Jack

"To PCS, we're not just another customer! PCS prides themselves in customer satisfaction, which gives us the sense of security that every business owner should expect. Whether you want daily information, problem resolution, or custom account setup, you can always expect personal attention to meet your business needs. Demand the industry best.....demand PCS."

Dana Roth

Owner - Pensacola Blues

"We've been associated with PCS for some time and have only had positive experiences. In most every instance they have been able to save our customers on their transaction fees while providing better service than other providers. I would encourage every business to review PCS pricing and services, I believe you'll see immediate savings."

Steve Leslie

Sales Manager - Professional Transportation Partners

"Our experience with the PCS team has shown them to be accessible, responsive and determined to get done what they say they will."

Tom Manning, CPA

CFO - Save More, Inc.

"PCS promptly provided me with a detailed analysis of my current statement, and offered us a revised rate plan which is saving us hundreds, literally, each month in processing fees. PCS replaced and updated our equipment at no cost, and is providing us with detailed reporting to help us reconcile our bank account. These guys say what they do, and then do exactly what they say, and I could not be happier with their service. I would highly recommend PCS to anyone who is seriously interested in saving money and getting stellar service."

Chuck Redden

Owner - Charlotte Harbor Marine

"I have been with PCS for 2 years. When I had a problem with my credit card machine, a new one was sent FedEx to me the very next day. The personalized service I have received is second to none, and the PCS team is responsive, and a pleasure to deal with. There are not many companies you can say that about. Plus my rates are the lowest I've found. I plan to use PCS for years to come. Thanks to all the folks at PCS!"

Louis Demek

Owner - Footprints in the Sand Gallery

"PCS made switching credit card processors as seamless as possible. We always had a representative on site during the cut-over and they were never more than a phone call away when help was needed. Our fees were reduced and the process has been virtually painless! We have never had a change go so great!"
